PROUDLY PRESENTED IN ASSOCIATION WITH:

INVITATION

Tēnā koutou and thank you for your interest in partnering with the 29th College of Emergency Nurses New Zealand – NZ Nurses Organisation (CENNZ-NZNO) conference. This is being held at Rydges Auckland on Thursday 19 & Friday 20 March 2026.

CENNZ is dedicated to promoting excellence in emergency nursing within Aotearoa / New Zealand, through the development of frameworks for clinical practice, education and research.

Our conference theme is '**Te Pae Tawhiti – Pursue Distant Horizons**'. This theme is borrowed from our Māori health strategy, **Te pae tawhiti**. This title is taken from a whakataukī, a proverb that encapsulates wisdom and knowledge.

Te pae tawhiti – Pursue distant horizons

Ko te pae tawhiti whāia kia tata, ko te pae tata, whakamaua kia tina.

Pursue distant horizons so they may be close and secure near horizons, so that they are fastened.

This theme identifies that, despite the challenging social and political changes that emergency nurses are confronted with, we remain steadfast in setting goals of achieving excellence in our clinical and cultural standards. We are maintaining the essence of care whilst embracing opportunities to improve through extending our practice, adopting modern technology and research, and continuing life-long learning.

It has been 9 years since CENNZ nurses have joined together in the City of Sails, Auckland, to celebrate our passion for emergency nursing. The return of this influential meeting to Auckland is much anticipated. We therefore invite you to participate in this special event. A wide variety of both trade exhibition and sponsorship opportunities are available.

Our aim is to provide delegates the best possible experience, comprising of presentations by speakers from throughout Aotearoa, New Zealand and an excellent trade exhibition, showcasing the best in clinical products available.

We are offering packages which allow you to determine your own level of sponsorship and involvement. Each of the events or items has been priced to reflect the relative exposure and benefit you will gain from them. You can customise your total sponsorship spend to include the categories of Platinum, Gold and Silver along with additional Exhibitor and General opportunities.

We look forward to receiving your application and to seeing you at CENNZ 2026.

Early commitment to sponsorship will provide greater exposure through pre-conference publicity. To confirm your sponsorship, please refer to the back page or if you have any queries, please contact the Conference Organisers – Medical Technology Association of New Zealand (MTANZ).

Warm regards,
Lauren Miller
Conference Organising Committee Chairperson

MTANZ Code of Ethics

All exhibitors must adhere to the guidelines of the MTANZ Industry Code of Ethics 2021 (and amendments). A copy of the Code of Ethics can be viewed [here](#).

Ethical standards and compliance with applicable laws are critical to the medical technology industry's ability to continue its successful collaboration with healthcare professionals.

A close relationship between suppliers and the clinician is a key element in the innovation and development of medical technology products. This close relationship is a positive for patients who are the ultimate beneficiaries of advanced medical technology. However, this close relationship does require a clear understanding of ethical behaviours by both parties.

In particular when exhibiting at a MTANZ organised conference, clause 5.10 'Gifts to Healthcare Professionals' must be adhered to. This clause states the following:

- A company should ensure that sales of Medical Technology are made solely on the basis of efficacy, safety, quality, price and service and never on the basis of a Healthcare Professional receiving payments, gifts or Hospitality.

Companies may not:

- provide Healthcare Professionals any type of **branded or non-branded promotional items** (e.g. pens, notebooks, tote bags), even if the item is of minimal value and related to the Healthcare Professional's work or for the benefit of the patients.
- provide Healthcare Professionals with gifts, including gifts of cash, food, wine or spirits, gift baskets, gift cards/certificates or flowers.
- accept a gift from a Healthcare Professional which is beyond the level of what is reasonable and customary in the circumstances of the relationship.

A company may:

- occasionally provide a Healthcare Professional with an educational item that benefits patients or serves a genuine educational function for the Healthcare Professional provided the item has a fair market value of less than \$100, except in the case of medical textbooks or anatomical models.

For the avoidance of doubt, this clause does not preclude the legitimate practice of providing to Healthcare Professionals appropriate samples of Medical Technologies for genuine training, educational or Medical Technology evaluation purposes (generally in a clinical setting).
