

Thank you for registering for the MTANZ Conference 2025

To access the event online - **you will need to use a browser** (we recommend Chrome or Firefox) and **have access to the email inbox that you've used to register for the event**. It's important that you **complete the process from the same device** - meaning that you're using the **same device** to login and receive the email verification.

NOTE: to verify your identity, you will be sent an email from no-reply@jplmedia.com.au containing a passcode

Some corporate policies may block the email or it may end up in your spam folder. To avoid this happening, please add no-reply@jplmedia.com.au to your address book or check your spam folder.

To begin the login process to access the Conference, please access the event here:

<https://jpl.media/mtanz25-delegates>

You will see a login page as shown in the example image below. Click on the **blue Login Button** to Access the Conference:

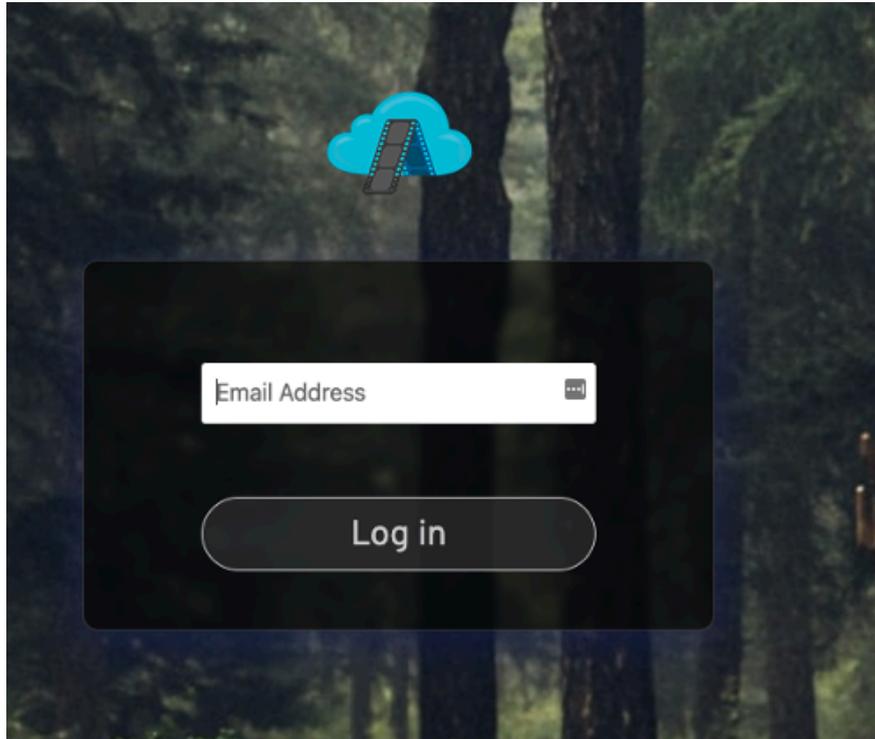

Click the button below to log in to the event using the email address used to register for the event. You will need access to your inbox to verify your identity.

Please note that you will need to complete the login and verification process using the same device.

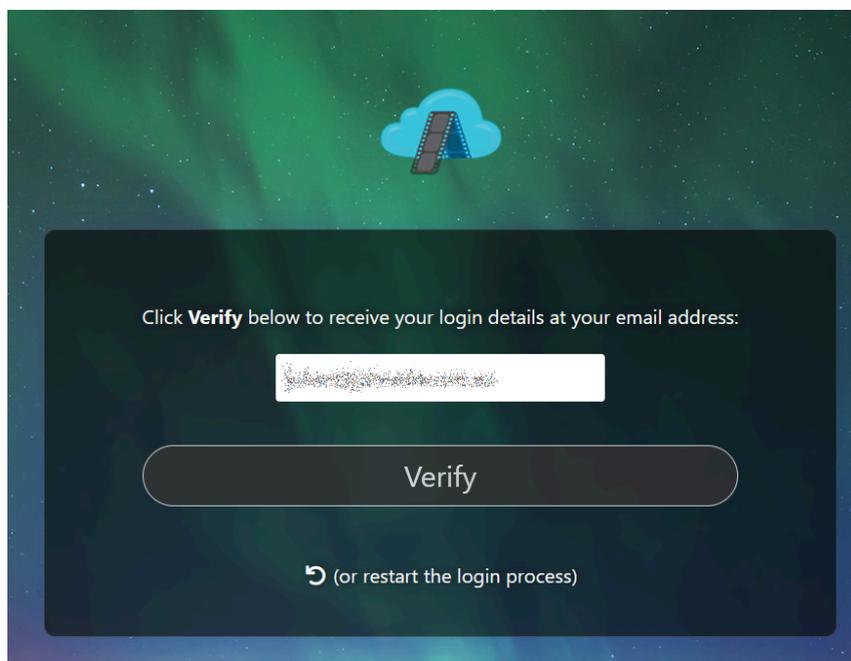

Login

If you need any assistance, please [visit our support page](#)

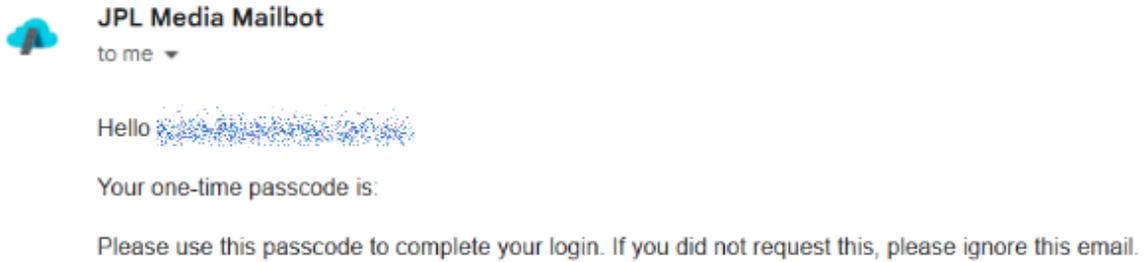

On the next page, enter the same email address you have used to register for the event and then click 'Log In':

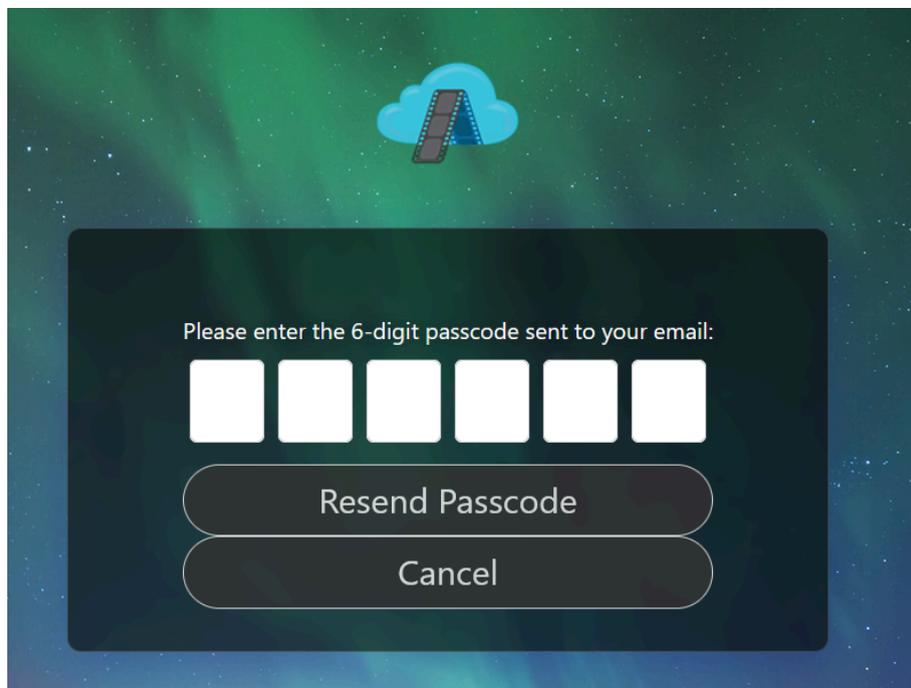

You will then be asked to verify your email address

Once you have clicked Verify - check the inbox related to the email address you've entered. You should receive an email like this:

Enter the passcode in the same browser you used to start the login process

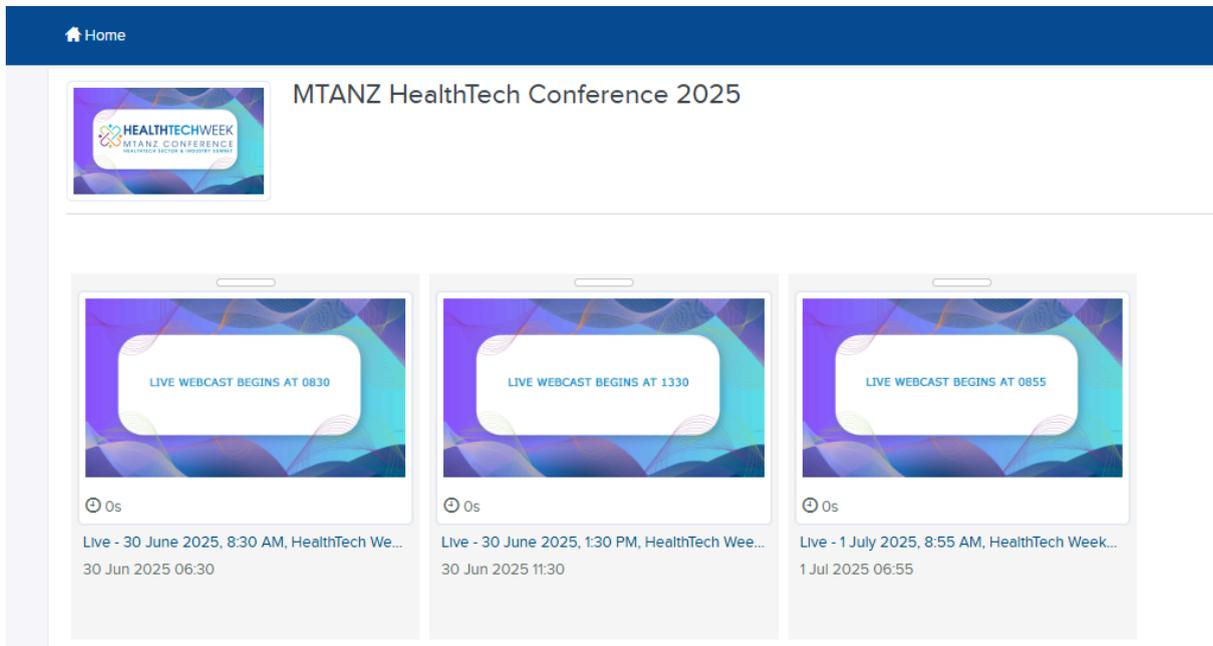

NOTE: YOU NEED TO ENTER THE PASSCODE ON THE SAME DEVICE YOU USED TO LOGIN. IF YOU TRY TO ENTER THE PASSCODE FROM ANOTHER DEVICE, THE VERIFICATION PROCESS WILL FAIL

Once you've entered the passcode you'll get access to the video portal.

Using the Platform:

Once you have followed the above steps you will have access to the platform. Click on the webcast you wish to watch or use the search engine on the top right

Technical Support:

If you are having any trouble using or accessing the platform and are in need of technical support open a support ticket at <https://events.gigtv.com.au/support-aca> or click the button below
