Te Haerenga - The Journey

PROUDLY PRESENTED IN ASSOCIATION WITH :

INVITATION

Tēnā koutou katoa,

On behalf of the Neonatal Nurses College Aotearoa (NNCA), we sincerely appreciate your interest in supporting this year's symposium. We invite you to join us as a valued partner in advancing the health and wellbeing of NICU babies and families in Aotearoa New Zealand.

This year's theme, **Te Haerenga – The Journey**, invites us to reflect on our collective and individual journeys in neonatal care – the challenges, the growth, and the deep connections we forge along the way. We encourage you to embrace the spirit of Te Haerenga – to journey with purpose, curiosity, and aroha.

Waitangi, steeped in history and cultural significance, offers a unique opportunity to enhance our symposium experience. Surrounded by the natural beauty of the Bay of Islands, delegates will be immersed in a landscape that speaks to the heart of Te Tai Tokerau and the stories of our people. From the serene waters to the rich heritage of the Waitangi Treaty Grounds, this location provides a powerful backdrop for learning, sharing, and connecting.

As a sponsor & exhibitor, you will have the opportunity to:

- Connect with frontline neonatal nurses from across the motu (county)
- Promote your organisation's offerings to a targeted audience
- Showcase and build awareness of your products
- Demonstrate your commitment to the advancement of neonatal care and support for healthcare providers
- Gain insights into the latest impacts and trends affecting neonatal care

We hope the enclosed sponsorship details are helpful, and we look forward to partnering with you and your organisation at the NNCA Symposium.

Ngā mihi nui,
2026 local Organising Committee on behalf of NNCA

WHO WE ARE

NZNO (New Zealand Nurses Organisation/Tōpūtanga Tapuhi Kaitiaki o Aotearoa) has a history going back to 1905 when nurses in Wellington formed the Wellington Private Nurses Association. The Wellington nurses sparked the creation of other nursing associations throughout the motu (country), and the Trained Nurses Association began in 1909. Over the years, the growth and influence of the Trained Nurses Association continued, and in 1993, the Trained Nurses Association amalgamated with the Nurses Union to establish NZNO.

From those humble beginnings, NZNO now has over 55,000 members and is the leading professional body for nurses in Aotearoa New Zealand. Members include nurses, midwives, students, kaimahi hauora/health care, health care workers and allied health professionals.

The Neonatal Nurses College Aotearoa began over 20 years ago and was known as the Neonatal Nurses Section at our inception. We strive to be a driving force to ensure all whānau in need in Aotearoa New Zealand receive optimum healthcare through advocacy, educational support for members, policy submission, and collaboration with other organisations to create positive change for child and family health.

Our membership consists of NZNO members who are committed to the improvement of neonatal care.

MTANZ Code of Ethics

All exhibitors must adhere to the guidelines of the MTANZ Industry Code of Ethics 2021 (and amendments). A copy of the Code of Ethics can be viewed [here](#).

Ethical standards and compliance with applicable laws are critical to the medical technology industry's ability to continue its successful collaboration with healthcare professionals.

A close relationship between suppliers and the clinician is a key element in the innovation and development of medical technology products. This close relationship is a positive for patients who are the ultimate beneficiaries of advanced medical technology. However, this close relationship does require a clear understanding of ethical behaviours by both parties.

In particular when exhibiting at a MTANZ organised conference, clause 5.10 'Gifts to Healthcare Professionals' must be adhered to. This clause states the following:

- A company should ensure that sales of Medical Technology are made solely on the basis of efficacy, safety, quality, price and service and never on the basis of a Healthcare Professional receiving payments, gifts or Hospitality.

Companies may not:

- provide Healthcare Professionals any type of **branded or non-branded promotional items** (e.g. pens, notebooks, tote bags), even if the item is of minimal value and related to the Healthcare Professional's work or for the benefit of the patients.
- provide Healthcare Professionals with gifts, including gifts of cash, food, wine or spirits, gift baskets, gift cards/certificates or flowers.
- accept a gift from a Healthcare Professional which is beyond the level of what is reasonable and customary in the circumstances of the relationship.

A company may:

- occasionally provide a Healthcare Professional with an educational item that benefits patients or serves a genuine educational function for the Healthcare Professional provided the item has a fair market value of less than \$100, except in the case of medical textbooks or anatomical models.

For the avoidance of doubt, this clause does not preclude the legitimate practice of providing to Healthcare Professionals appropriate samples of Medical Technologies for genuine training, educational or Medical Technology evaluation purposes (generally in a clinical setting).
