DELEGATE PROFILE

Biannually, the NZNO College of Stomal Therapy Nursing Conference brings together over 100 healthcare professionals from across Aotearoa New Zealand to learn, network, discuss, and broaden horizons. Our conference includes specialists speaking on gastric mapping, bowel cancer screening, advances in surgical technique, nutrition, pelvic floor rehabilitation and more!

This year will include about 100 stomal therapy and gastro nurses from across New Zealand.

WHO WE ARE

Stomal therapy nursing and care of the patient with a faecal and/or urinary stoma is a challenging, yet deeply rewarding working partnership between a patient and nurse.

A Stomal Therapist (STN) provides individualised care to the person with a stoma and their family or whānau across the care continuum, promoting self-care for long-term health gain. A STN draws on their knowledge, skill and experience to create a plan of care that optimise a patient's quality of life and abdominal health.

STNs are committed to te Tiriti o Waitangi articles and as health professionals, we are serious in

demonstrating our active protection roles with patients, their family, and whānau. When working with Māori, the STNs knowledge and skills framework seeks to reflect the requirements for STNs as documented in the NZNOCSTN Standards of Practice 2015, including Kāwanatanga, Rangatiratanga, Ōritetanga and Wairuatanga.

Bringing this all together, we work in a multi-disciplinary team to provide optimised health care for the patient, their family/whānau and their stoma. This conference is for you, your upskilling and bringing you innovations in the field of colorectal and the gastrointestinal health care.

About Auckland Tāmaki Makaurau

Its name refers to the abundance of natural resources, strategic vantage points, portage routes, and mahinga kai which first attracted Māori, and then other settlers.

The spiritual and cultural connection Māori have to Tāmaki Makaurau is tied to their relationship with the land, maunga, harbours and waters.

Auckland, based around two large harbours, is a major city in the north of New Zealand's North Island. In the centre, the iconic Sky Tower has views of Viaduct Harbour, which is full of superyachts and lined with bars and cafes. Auckland Domain, the city's oldest park, is based around an extinct volcano and home to the formal Wintergardens. Near Downtown, Mission Bay Beach has a seaside promenade.
